

DAT-4.5.1.4 Schedule and Tracking of Holistic Activities

Effective: 2021.07.16

The American Center for Education upholds its core values: INTEGRITY, ACADEMIC EXCELLENCE, INCLUSIVENESS, CONTINUOUS IMPROVEMENT.

Standing by the above core values, the American Center for Education endeavors to deliver a holistic approach to education by developing activities that form part of the students' advancement as individuals seeking to make a difference in the world while achieving their dreams. Through these well thought out activities, their personalities will be developed allowing them to stand out not merely as students but as successful individuals confident to take on the international platform.

ACE advocates for inclusiveness in its fold. Thus, encouraging students to take full advantage of the resources and avenues available for them for their growth and development in various aspects of student life. ACE tries to incorporate valuable and meaningful activities that engage students, cater to their interests and inclinations as student leaders, and allow them to appreciate their experience living in a first world country such as Singapore.
